Permits, Licenses, & Violations

- Easily issue & track violations, licenses, and permits.
- Print actual permit, customize licenses, & renewal notices.
- Inspection Tracking to schedule and track if something has passed, failed, or needs re-inspection.
- Run daily inspection report and schedule.
- Generate inspection notices & certificate of occupancy (both customizable)
- Add attachments for floor plans, documents, pictures, etc.
- Create unique base fees, valuation fees, or itemized list to calculated fees for each type of permit or license.
- Violation letters can be customized and sent out for each type of code enforcement infringement.
