Delete Project Report Project Info Project Cycle Checklist

- Easily create projects and assess properties with step by step checklist.
- Generate an assessment roll.
- Print improvement and assessment notices.
- Print amortization schedule for customers.
- Print project report to show parcels, original amount, remaining amount, principal, interest, and other detailed information about the project.
- Certify unpaid balances to county.
- Enter receipts/payments to allocate to financial account codes.

Special Assessment purchase also comes with Property Mgt/Code Enforcement. Issue letters to properties that are in violation of city ordinances. Also use Property Mgt. to track property values, building information, legal information, zoning information, attach a floor plan, store picture of property, and much more! Call Chris at 800-229-1130 for pricing or more information.
