

Banyon Data Systems has partnered with Nuvei to offer fully integrated payments processing, providing you with a state-of-the-art, friction-free solution for billing and payments. As a leader in delivering cost-effective, innovative, integrated payment solutions specifically designed for government entities and service providers, Nuvei simplifies the payment process.

BETTER PAYMENT EXPERIENCES START WITH AN INNOVATIVE CITIZEN ENGAGEMENT PLATFORM

Nuvei’s advanced, centralized payments and citizen engagement platform, UtilityConnect™, provides purpose-built solutions tailored to support government agency employees, while delivering an exceptional payment experience municipality-wide for those served.

YOU CAN HAVE IT ALL!

Cost Effective [^]	Faster Reconciliation	Citizen Enhancements	Customer Adoption
No Monthly Portal Fees	Next Business Day Funding	Multilingual Communication Preferences	3-Tier Citizen Rollout Plan
No eBilling Fees	Comprehensive Reporting	Bilingual Call Center Support	800% increase in Auto-Pay Enrollments*
No IVR/SMS Fees	99.99% Portal Uptime	Citizen Alerts & Notifications	360% increase in Portal Registered Users*

**Standard rates compared to previous payment provider*

With over three decades of payments experience in the government industry, Nuvei deeply understands today’s needs and tomorrow’s opportunities.
